

1st Cretan RNA Workshop

Enhancer Transcription and RNA processing

23.10.2023

'AITHOUSA 1' IMBB FORTH

Programme [Athens Time, CET + 1]

10.00 – 10:30 Registration opens (Coffee)

10:30 – 10:35 Welcome

Session I

10:35 – 11:20 Keynote: Christoforos Nikolaou, BSRC Al Fleming
[Physical presence Aithousa 1 - Hybrid] *"Where transcribed things are; Identifying Transcriptional Condensates by Computational Integration of multi-Omics data"*

11:20 – 11:45 Selected talk, Chrysa Philipoppoulou, UoTh

11:45-12:00 Coffee Break

Session II [12:00-13:30]

12:00 – 12:20 Selected talk, Nikoletta Triantopoulou, UoC

12:20 – 12:40 Selected talk, Vaios Theodosiou, IMBB

12:40 – 13:00 Selected talk, Christos Katsioulas, IMBB

13:30 – 14:00 Lunch break and poster session

Session III

14:00 – 14:45 Keynote: Kinga Kamieniarz-Gdula, IBMiB Poznań
[Hybrid] *"Knowing when to stop: early and late transcription termination"*

14:45 – 15:10 Amra Dedic, Lexogen [Hybrid] *"Challenges and Best Practice in RNA-Sequencing"*

15:15– 15:30 Poster/Talk price winners and closing remarks
